Work Experience

Mid-Degree Summer Work - Byte Camp Victoria

Worked as a Camp instructor and leader for a creative and technology skills summer camp for youth aged 8-12:

- Instructed in a group class setting
- Taught 3D and 2D and animation, video filming, editing, and digital music creation
- Facilitated physical activities and conversation surrounding the creative process

Game Dev

Camosun Capstone Project

Worked with a team of three over a semester to create a video game in our shared vision.

- Worked mostly in Unity and Blender
- Utilized Figma and Codecks for organization, planning, and visuals
- Focused the core of the project on optimization utilizing:
    - Behaviour tree to handle hundreds of individual decisions
    - Object pooling to reuse projectiles performantly
    - Customized Unity NavMesh to be able to handle large amount of moving parts
    - Thoughtfully connected core systems

- Modelled and rigged custom characters
- Created unit movement system to allow player control and automatic control
- Created custom visuals in Unity's VFX system
- Created custom visual indicators

Previous Work Experience

Core Experience - BGC Nanaimo and Victoria, BC
Team Lead and Program Leader May 2018 - December 2023
